Also here is another
noteworthy video James
came across, about abalone
divers. It's good to watch so
we never get to complacent
about the dangers of diving.
At least it ends on a positive
note. Excellent video for
newbies.

Would you like to be the

Did anyone get any
diving in? The closest I
got was on the
submarine at
Disneyland. Send me
your diving stories or
other informative
articles for the next
newsletter.
